

Community Supported Agriculture (CSA) is an 18 week program (June 25 thru Oct 25, 2015) where the farmer packs a weekly bag of fresh-picked produce and has it ready for the CSA member to pick up. While the CSA member does not choose what is in the bag, they get a great assortment of fresh produce every week and are likely to try new items. We grow over 40 varieties of produce and try to include at least 4 different items each week in your bag. It forces the CSA member to think out-side-of-the-box when it comes to meal planning. Members find they are eager to try new recipes and stop making the same meals over and over. Even the kids learn to try new items since it comes from "their" farm. Great recipes and storage ideas are included. Past members say they look forward to getting a surprise each week and they become creative in the kitchen.

We offer the following options in 2015:

Basic Share: Cost \$210

The basic share is a weekly blue bag of fresh produce that generally will feed two to three people. For people with larger families, we offer a 2nd basic share with a price discount. ***After choosing the basic share, you can add any of the following options:***

Extra Goodies: Cost \$210

This bag will come *every other week* alongside your Basic Share Bag. The special Extra Goodies Bag will contain 1 dozen farm fresh eggs, 1 package of Jisa or other local cheese, 1 loaf of Great Harvest bread, 1 jar of jelly/honey or other type of spread, and one surprise item.

Herb Package: Cost \$50

This package will come *every other week* alongside your Basic Share Bag. You can expect enough herbs to use fresh and have some left for drying. Recipe ideas are included. We are growing basil, thyme, oregano, parsley, cilantro, dill, chives, sage and rosemary.

Harvest Tickets: Cost \$50

If you like large amounts of produce for preserving, this option is a must! You will receive 5 tickets. Each ticket can be redeemed for a bucket of produce. If everything grows as planned, you will be able to redeem your tickets for buckets of any of the following items: tomatoes, green beans, onions, broccoli, beets, cucumbers, peppers, rhubarb, zucchini, acorn, butternut and spaghetti squash or redeem one ticket for two dozen sweetcorn. We will notify you as items become available in large quantities (usually beginning in August). Some items may be "you pick".

Gift Certificate Package: Cost \$450.00

Instead of getting the Basic Share and add on packages, you can choose the *Gift Certificate Package and shop at the farm.*

Get \$500 worth of gift certificates for only \$450! Choose the produce you want and don't be afraid to try new things! Certificates can be used for *any* items in our farm store including items in our meat and pie freezer. Use the certificates yourself or give them as gifts. All certificates must be used at our farm store during the 2015 CSA Season.

Delivery Options: Depending on location, we are able to deliver to your work if you have at least fifteen participating employees.

Otherwise, you can choose to pick up at one of our designated locations in Downtown, Midtown, Rock brook, Ralston, 156th & West Dodge Road, Village Pointe or at our farm in Irvington. Cost for delivery is \$10 per season per membership. Members picking up at the farm do not pay a delivery charge.

***Early Bird Incentive:** Pay in-full by April 15th and get an additional \$10 credit to use in our greenhouse during the month of May. Alternately, you can choose to make several payments with the final payment due by June 1st.

Final payment and membership enrollment is due by June 1st.
