

## The 2020 season runs for 17 weeks: June 15 thru October 11.

**Community Supported Agriculture (CSA)** is a program where the farmer packs a weekly bag of fresh-picked produce and has it ready for the CSA member to pick up. While the CSA member does not choose what is in the bag, they get a great assortment of fresh produce every week and are likely to try new recipes. We grow over 40 varieties of produce and try to include at least 4 different varieties each week in your bag. It forces the CSA member to think out-side-of-the-box when it comes to meal planning. Members find they are eager to try new recipes and stop making the same meals over and over. Even the kids learn to try new items since it comes from "their" farm. Great recipes and storage ideas are included. Past members say they look forward to getting a surprise each week and they become creative in the kitchen.

### Choose your CSA options:

**Large Share: Cost \$425, generally feeds 4 to 6 people**

The Large Share is a weekly bag of fresh produce that generally will feed 4 to 6 people.

After choosing the large share, you can add any of the following options: Extra goodies, Herb Package or Harvest Tickets.

**Basic Share: Cost \$220, generally feeds 2 to 3 people**

The small share is a weekly bag of fresh produce that generally will feed two to three people.

After choosing the basic share, you can add any of the following options: Extra goodies, Herb package or Harvest Tickets.

**Extra Goodies Cost \$235** (this item can be added after purchasing a basic or large share)

This bag will come *every other week* alongside your Large or Small Share Bag. The special Extra Goodies Bag will contain 1 dozen farm fresh eggs, 1 package of Jisa or other local cheese, 1 loaf of Great Harvest bread, 1 jar of jelly/honey or other type of spread, and one surprise item.

**Herb Package: Cost \$55** (this item can be added after purchasing a basic or large share)

This package will come *every other week* alongside your Basic Share Bag. You can expect enough herbs to use fresh and have some left for drying. Recipe ideas are included. We are growing basil, thyme, oregano, parsley, cilantro, dill, chives, sage and rosemary.

**Harvest Tickets: Cost \$55** (this item can be added after purchasing a basic or large share)

If you like large amounts of produce for preserving, this option is a must! You will receive 5 tickets. Each ticket can be redeemed at the farm for a bucket of produce. Buckets are approximately 4.5 gallons. If everything grows as planned, you will be able to redeem your tickets for buckets of green beans, onions, broccoli, beets, large cucumbers, peppers, zucchini, you-pick tomatoes, acorn, butternut or spaghetti squash, or 2 dozen sweetcorn, 2 large cantaloupes or 2 watermelons. A weekly e-mail will let you know what items are available each week.

**Gift Certificate Package: Cost \$225.00**

Instead of getting the Large or Small Share of produce, you can choose the *Gift Certificate Package and shop at the farm*.

**Get \$250 worth of gift certificates for only \$225!** Choose the produce you want and don't be afraid to try new things! Certificates can be used for items in our farm store including items in our meat and pie freezer. Use the certificates yourself or give them as gifts. All certificates must be used at our farm store during the 2020 CSA Season.
